Ymandrake Dueling Ring

Ring, very rare (requires attunement)

Description: This ring is manufactured from gold and set with a black sapphire.

Abilities/Effects: If you are targeted by the *counterspell* spell or lose concentration on a spell due to a failed concentration check while wearing this ring, the spell level slots used to cast the spell are not lost but instead stored in your ring.

This ring can hold up to 5 spell level slots at a time and drain away at a rate of 1 spell slot per hour. While spell level slots are stored in the ring you may use them to cast spells instead of utilizing your remaining spell level slots.
