**STORY ACHIEVEMENTS**

Your character must be level 1st to 4th level to play this adventure.

Before leaving on your way Aurora gifted you with a rare potion old gray use to brew, hopefully it will come in handy some day. Additionally you are always welcome in Moonswallow (in the Kingdom of Milandir)

**\_\_\_ Draught of Brawny Diminution**

*Potion, very rare*

**Abilities/Effects:** When you drink this magical potion, you shrink to approximately one-twelfth your normal size with your strength seemingly amplified despite your small size. For 1 minute your size changes to tiny and your Strength score becomes 19 while under the effects of this potion. All items you are carrying shrink along with you, with weapons dealing damage as if they were tiny-sized weapons. If the effects of this potion end while you are in an area smaller than your normal size, you immediately are reduced to 0 hit points and are considered to have failed your first death saving throw.
